- I understand I am making a pledge to receive a weekly (or every other week) delivery of fresh, organic produce.
- CSA commitment is for the time period and frequency selected above and is to be paid in advance.
- I understand the farmer does all they can do to insure a full harvest. I am committed to sharing the gain or loss of each season due to favorable or unfavorable conditions beyond the farmer's control.
- Payment is required before delivery and can be made by check, cash or credit card.
- It is my responsibility to pick up my produce during the designated time period. If I am unable to pick it up, I will send someone on my behalf to do so.  
I will call or email the CSA (at least one full week in advance) to let them know if I will be skipping my delivery.  
I understand that if my produce is not picked up, it will be donated at the pick up locations discretion.
- Please see our website for additional information.

*You will be contacted via email once we receive this join form, to confirm your start date and location.*

I understand and agree to all the terms and conditions of the CSA pledge as outlined above.
